MOCHATRADE LAUNCHPAD

Presented by Team Popcorn (Amee)

PEOPLE DON'T ABANDON PRODUCT
THEY ABANDON THE WAIT

PROBLEM

60%

of waitlist users become dormant before the launch

They lose interest during the waiting period

Emails & remonders have low engagement

Marketing spend is wasted when user never return

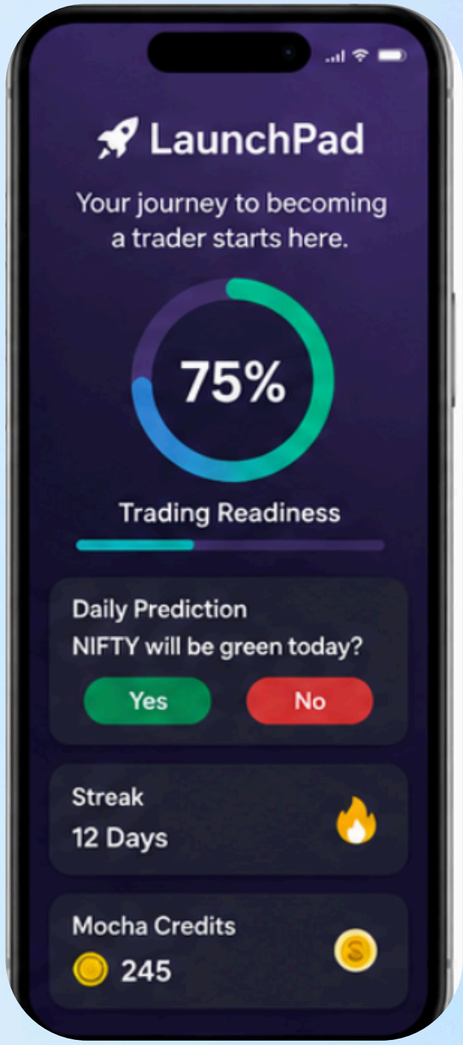

SOLUTION

LaunchPad

DON'T MAKE USERS WAIT
MAKE THEM PARTICIPATE

The pre-launch companion app that turns waiting into an engaging experince through learning ,games, community and rewards

Everything earned in LaunchPad automatically transfers to the MochaTrade app on launch day

THE SCIENCE BEHIND LAUNCHPAD'S IMPACT

Built on human behavior. Designed for retention.

1. BEHAVIORAL PSYCHOLOGY

Birthday Message	Daily Polls & Streaks	Trading Readiness Tracker	Community & Founder Access	Leaderboards	LaunchPad Graduation	Limited-Time Migration Rewards
Personalization & Reciprocity	Habit Formation	Progress Motivation & Uncertainty Reduction	Trust & Belonging	Competition	Loss Aversion	FOMO & Scarcity

2. PLATFORM STRATEGY

Instagram	X (Twitter)	LinkedIn	Discord	Telegram
- Lifestyle reels - FOMO - Community moments	- Trading discussions - Prediction winners - Market insights	- Founder vision - Startup journey - User success stories	- Official community - AMAs - Challenges & discussions	- Trading circles - Updates - Community engagement

3. EXPECTED IMPACT

- Reactivate dormant waitlist users
- Prevent future dormancy with immediate engagement
- Build a trusted trading community before launch
- Convert early adopters into long-term users & advocates

People don't abandon products. They abandon waiting.
LaunchPad removes the waiting.

Higher engagement before launch	Stronger retention on day 1	Loyal community from the start	Organic growth through advocates

THANK YOU
